This Council would be subject to ratification by the larger community of Union Square stakeholders.

Article 13—Conflicts of Interest

The determination of any conflicts of interest for Neighborhood Council Board members shall be governed by Massachusetts General Laws, c. 268A, as applicable to “special municipal employees”. Adherence to MGL c. 268A, should in no way be construed to limit a Board Member's ability to speak on matters of policy, or to otherwise designate them as a Municipal Employee. In addition, the Board of the Union Square Neighborhood Council is bound by three ethical duties with respect to all potential conflicts of interest:

- A. A duty of loyalty, to serve at all times the best interest of the Neighborhood Council and the community. A Board member is expected to place the needs of the Neighborhood Council and the community above their own personal interests.
- B. A duty of care and good faith, to act in all Neighborhood Council matters with common sense, diligence, and informed judgement.
- C. A duty of faithfulness to the mission of the Neighborhood Council and its committees.

Without limiting the duties and obligations set forth in this Article, conflicts of interest may arise where a Board member has an existing or potential financial or personal interest that could interfere with that individual's independent or objective judgement, or ability to discharge of any of the duties set forth above, in any decision to come before the Neighborhood Council.

Board members shall recuse themselves from voting on or participating in the discussion of

any matter in which they have a conflict of interest. In any matter in which a Board member has a potential conflict of interest, that Board member shall fully disclose the nature of the potential conflict at the earliest possible opportunity to the Board or Committee in which the matter shall be under consideration. Following such disclosure by the Board member, the Board shall vote by simple majority as to whether that Board member shall recuse themselves from any discussion or voting on the matter. A person who recuses themselves from considering a matter due to an actual or potential conflict of interest shall not be present during the discussion or voting on such a matter.

Recognizing that many Neighborhood Council Board members and general Members are active in other volunteer civic organizations throughout Union Square and Boston, it shall not be a conflict of interest for any Board or general Member to discuss and vote on matters which they have considered before as Members of the other volunteer councils, committees, commissions or similar organizations. It is expected that Members shall use any knowledge or perspective gained from said organizations to provide insight and clarification for the Union Square Neighborhood Council.

As elaborated in Massachusetts General Laws, c. 268A, Neighborhood Council Board members may not:

- D. Ask for or accept anything (regardless of its value), if it is offered in exchange for agreeing to perform or not perform an official act.
- E. Ask for or accept anything worth \$50 or more from anyone with whom the Neighborhood Council Board member has official dealings.

- H. Take any official action affecting own financial interest, or the financial interest of a business partner, private employer, or any organization for which the Board member serves as an officer, director, or trustee.
- I. Act in a manner that would make a reasonable person think the Neighborhood Council Board member can be improperly influenced. A Neighborhood Council Board member can avoid violating this provision by making a public disclosure of the facts in writing.
- J. Improperly disclose or personally use confidential information obtained as a member of the Neighborhood Council Board.

Article 14—Non-Discrimination

The Neighborhood Council will not discriminate against individuals or groups on the basis of race, religion, color, sex, sexual orientation, gender identity, age, disability, legal citizenship,

national origin, income, or political affiliation in any of its policies, recommendations or actions.

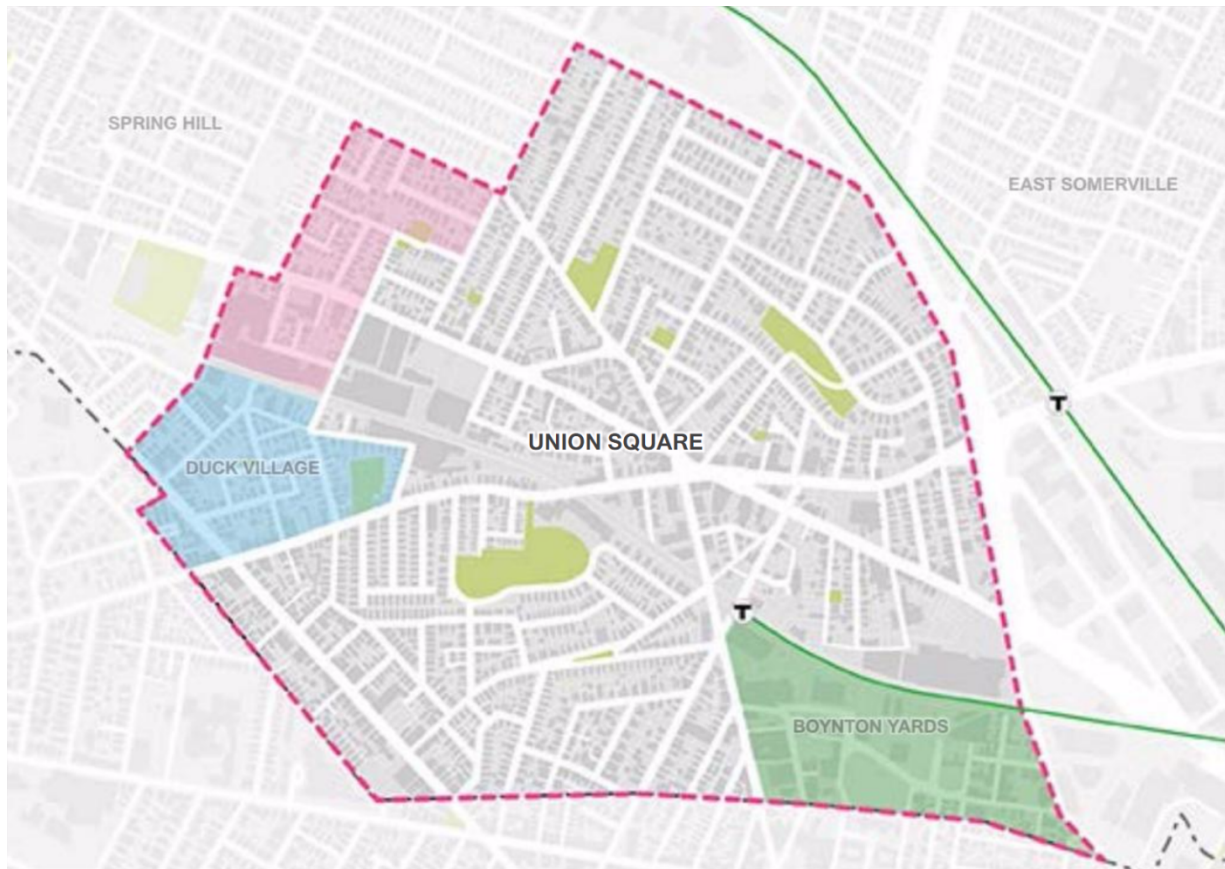

Article 15—Amendments to Bylaws

Amendments to these bylaws will be adopted with approval of a two-thirds (2/3) majority vote of Neighborhood Council Members present and voting at a Membership meeting with a quorum of the Neighborhood Council Board members in attendance. The proposed amendment and planned vote will be made public in advance of the meeting.

Article 16—Community Benefits Agreement

If the Neighborhood Council negotiates a Community Benefits Agreement (CBA) with any developer within the Union Square Neighborhood Boundaries as defined in Appendix A, the Neighborhood Council Board shall be vested with the power to select a Negotiating Committee to negotiate said CBA. In order to approve a CBA as negotiated, the Neighborhood Council Board will require support from $\frac{2}{3}$ majority of the Neighborhood Council Membership present and voting at a ratification Membership meeting with a quorum. Such a meeting shall be publicized at least two (2) weeks in advance, and be preceded by a public meeting where the Negotiating Committee will explain the contents of the CBA and answer clarifying questions.
